Gateway Advance Program

We are in the middle of Gateway Advance Fall 2020 semester. These classes are for individuals who are working full time, have busy schedules, or just interested in receiving more biblical training.

Many of the students are pastors and or lay personal serving in their local churches. This is a ministry certificate and diploma program.

These classes are in the evenings once a week for 3 hours. The duration of each class is 15 weeks. The classes are in Spanish and English.

The main classes are on the Gateway campus in Ontario. These are not online classes. These classes are on the 5th floor and are meeting all the covid-19 requirements.

We do have some satellite classes available.

The Spring Semester will begin the week of January 4th, 2021.

Please call Claudio Medina for more details.

Welcome Jerry Bennett!

The Association would like to welcome Jerry Bennet as part of our staff! With Robert Hendricks recently moving, Jerry is coming in to help with our pastoral care ministry.

Jerry was born and raised in Southern California. He is a veteran of the United States Navy. He is a graduate of California Baptist University and Gateway Seminary. He married Lynette in 1980. They have two grown daughters: Jennifer is a high school Language Arts teacher in Riverside Unified, and Melissa is a Registered Nurse at Redlands Community Hospital. They have two grandsons. They are now residing in Riverside. Jerry has served in various ministry positions since 1974. He has been a support staff member in the areas of Youth, Education, Recreation and Administration. He has served 24 years as a Senior Pastor. He served in Associational work for 5 years. He has led conferences and leadership development events.
