What We Believe: Jesus Part 1

Introduction

Jesus made a statement in John 14:6 that rocked the world. He said, in essence, there is only one way to eternal life and that way is through Me. This earth-shaking, life-changing acknowledgment is the fulfillment of all prophecy concerning redemption, justification, reconciliation, and salvation. Jesus is the only way to eternal life. Jesus is our salvation. He paid the price for our sin and redeemed us from eternal separation to live with God forever. Praise be to God through Jesus for what He has done in us.

Jesus was a man, fully human. Yet He was fully God. He was the son of a carpenter, from a poor family, coming from a ghetto environment, and highly disregarded by the cultured Hebrews of the day. The reputation of Nazareth is summed up in a statement made by Nathaniel, a friend of Philip when he said “Nazareth! Can anything good come from there?” What gives Jesus the right to make this statement? Jesus is Savior and Lord.

We believe that Jesus has always existed (John 1:1-2 and 1:14). He became the God/man, born the Son of God. He was born to Mary, specifically chosen by God for this blessing (Luke 1:30-31). He lived a sinless life (Hebrews 4:14-15), died for the sins of all mankind (John 19:30, 1 Peter 1:18-19), was buried (John 19:41-42), arose from the grave on the third day (Mathew 28:6), ascended into heaven (Acts 1:9), and He will return to earth in the same way as He ascended into Heaven (1 Thessalonians 4:13-18).
