BRUCE HITCHCOCK

CHURCH GROWTH STRATEGIST

The New Year gives us the opportunity to look ahead. Last year is gone. The times of joy, sorrow, disappointment, passing of loved ones, discarded hopes and dreams, should all bring a new reality of the short time we have to make an impact for God. Assess your position with Him going into this year. We need to ask ourselves, what can I do to draw closer to God. Then do it in 2023.

THE EMPTINESS OF UNRIGHTEOUSNESS – Proverbs 1:10-19

Do not yield to worldly allurements. Of all of the temptations, the term peer pressure describes the most dangerous. Believers live a life of choices. Choose the right friends this year (2 Corinthians 6:14).

THE REJECTION OF WISDOM – Proverbs 1:20-33

In verse 20 we see: *Out in the open wisdom calls aloud, she raises her voice in the public square.* In this verse, there is a parallel to Jesus. He cries out, seemingly in vain in Psalm 4:2: *How long will you people turn my glory into shame? How long will you love delusions and seek false gods* (worldly idols)?

In verse 22 Solomon states: *How long will you who are simple love your simple ways? How long will mockers delight in mockery and fools hate knowledge?* Here we see pictured the simple-minded, those who deride, and others who mock the things of God. The naïve cannot easily distinguish between good and evil. The scorers ridicule God and His Word. The fools who know the difference between good and evil choose evil. This year be cognizant of the life God's wants for you. Live the life He has planned for you and reap the blessings of the abundant life Jesus promised (John 10:10).
