We Wise (Proverbs 2):

Proverbs 2:1-6 tells us: *If you accept my words and store up my commands within you, turning your ear to wisdom and applying your heart to understanding, and if you call out for insight and cry aloud for understanding, and if you look for it as for silver and search for it as for hidden treasure, then you will understand the fear of the Lord and find the knowledge of God. For the Lord gives wisdom, and from his mouth come knowledge and understanding.*

If the ax is dull, and one does not sharpen its edge, then one must exert more strength; however, the advantage of wisdom is that it brings success (Ecclesiastes 10:10, CSB).

Whosoever has, unto him shall be given, and he shall have more abundance. — Charles John Ellicott

INTRODUCTION TO CHAPTER PROVERBS 2

We all seek some level of success in life. Proverbs 2 defines success as an attribute of wisdom. Ecclesiastes 10:10 teaches: *the advantage of wisdom is that it brings success*. If we desire God's success in life, we must have *sound wisdom* (Proverbs 2:7, NKJV). Sound insight comes only from God and is limited to those who desire righteousness and live according to His plan.

SUCCESS IN OBEDIENCE (Proverbs 2:1-6)

The believer's obedience to God results from the knowledge, understanding, and application of His Word. These three steps lead to continual spiritual growth. Every thought, word, and deed must be centered in His Truth. The Bible is our anchor. This is a big bunch of ifs. They can all be summarized by righteous living.
