THE GOAL OF WISDOM: Proverbs 4:5

Proverbs 4:5: *Get wisdom, get understanding; do not forget my words or turn away from them.*

Proverbs is practical wisdom, showing us what we can do to get on in this puzzling world without losing our way and ending in disaster. – Eric Lane

We see in these first nine verses that the wisdom of God will keep a watchful eye over us (Vs.1-6). He is in control of all things. *O Lord, my Lord, how majestic is Your name in all the earth* (Psalm 8:9).

Wisdom provides sound teaching. It will also bless and honor those who seek her. Understanding will overshadow us with God's grace and secure a Heavenly crown of glory to those who follow her (Vs. 1-3). When we internalize wisdom's words, she will stabilize life (vs. 4). Nothing is more valued than the fruits of wisdom. Discernment will watch over you. Money cannot buy her. Wisdom's worth is beyond refined gold or silver. The writer makes this pointed statement about Godly perception: though it may cost all we have, gain the use of wisdom in your life (vs. 7). Admire and respect wisdom (vs. 8). Those who speak wisdom receive recognition and favor from others who benefit from it. Live according to her words, and those in high places will reward you. They will seat you at the head table (vs. 9).
