WISDOM AND GOD'S WRATH: PROVERBS 6:16-19

Proverbs 6:16-19: *There are six things the Lord hates, seven that are detestable to him: haughty eyes, a lying tongue, hands that shed innocent blood, a heart that devises wicked schemes, feet that are quick to rush into evil, a false witness who pours out lies and a man who stirs up dissension among brothers.*

A scoundrel and villain who goes about with a corrupt mouth, who winks with his eye, signals with his feet and motions with his fingers, and one who plots evil with deceit in his heart. He always stirs up dissension (*Proverbs 6:12-14*).

A scoundrel or villain is a person who preys on the weaknesses of others. One with this personality trait has the unwillingness to cooperate within society. They are controlled by the lust of the flesh. The ambitious should excoriate the lazy for their unproductive lifestyles (*Proverbs 6:9-11*). Those the deceitful deserve condemnation by society (*Proverbs 6:12-15*). These rogues are characterized by indiscriminate falsehoods. They make false and fraudulent but enticing statements uttered to beguile without regard to the painful results (*Proverbs 6:12*). They use flirtatious looks, language, and accusatory actions to demean those who are their competitors in social settings, ministry situations, or business dealings (*Proverbs 6:13*). Their worldly joy derives from disagreement, discord, and verbal antagonism (*Proverbs 6:14*).

God will not be mocked (*Luke 2:2*). Bugsy Siegle was one of the most notorious gangsters in the early 20th century. Late in his teens, he became a hitman and bootlegger for the New York City syndicate. He eventually formed a team of men known as Murders Inc. They became the enforcers of the mob in his hometown. As He grew in stature as a ruthless killer, the New York syndicate moved Bugsy to California to establish a new organization of criminals. Dissatisfied with the objectives of the organization in California, he expanded his operation to Las Vegas. His pride and greed caused Bugsy to use the mob's funds in a hotel scheme. He put the cash designed for the hotel project into his pocket to fund his lavish, lawless lifestyle. As a result of these actions, Bugsy was murdered by the same people he had served for more than twenty years. At his death, Bugsy was 41 years old. Some say it was a just end to a ruthless human being.

Therefore disaster will overtake him in an instant; he will suddenly be destroyed without remedy (*Proverbs 6:15*).

LEADERSHIP DEVELOPMENT

Muchas cosas pueden impedir que sigamos adelante en nuestro ministerio pero debemos recordar que juntos podemos lograr grandes cosas.

Este año ha sido muy productivo en cuanto al trabajar unidos y mi anhelo es que sigamos colaborando juntos. Nuestra asociación de Inland Empire está aquí para caminar junto a usted..

Estamos ofreciendo clases de seminario para preparar a la próxima generación de líderes, y nuestra meta es ayudar al pastor preparando un equipo de liderazgo.

Trabajamos con mentoría, coaching y liderazgo. Este mes tenemos nuestro Retiro de Hombres del 11 al 13 de Octubre, no se lo pierda. Vamos a hacer una revolución en nuestra asociación y me emociona poder ver a todos presente en nuestra gran celebración de Iglesias Hispánicas Bautistas el 20 de Octubre en Magnolia Church Riverside de 6pm-8pm.
